Item 3 **04AS03712 CHARLES CAVALIER, ET AL VS. MONICE KWOK, M.D., ET AL**

Nature of Proceeding: Motion To Continue Trial

Filed By:

Good cause appearing, and the parties having stipulated thereto, defendant MedClinic Medical Group's motion to continue trial currently set for March 26, 2007 is GRANTED. This matter shall be placed upon the July 2, 2007 trial setting calendar to be heard at 10:00 a.m. in Department 47. Defendant's motion to assign this case to a single judge for all purposes is DENIED for the reasons set forth below.

The court finds good cause to continue trial based upon the parties stipulation, the fact that plaintiff's condition has not stabilized and that the experts' need additional time to review matters and prepare expert testimony.

Defendant's motion for assignment of a single judge for all purposes is denied. The condition of the court's calendar generally precludes the assignment of a single judge for all purposes at the present time. The court notes, however, that the case is assigned to a single judge for all law and motion and discovery purposes as recommended in Standard 3.10(b) of the Standards of Judicial Administration.

Item 4 **06AS00684 NORTHERN CA SPECIAL DISTRICT INSURANCE VS. ALWEST FIRE PROTE**

Nature of Proceeding: Motion To Continue Trial

Filed By:

Good cause appearing, and no opposition having been received, defendant/cross-complainant Alwest Fire Protection's motion to continue trial and settlement conference currently set for June 11 and May 10, 2007 is GRANTED. This matter shall be placed upon the June 18, 2007 trial setting calendar to be heard at 10:00 a.m. in Department 47.

The court finds good cause to continue given the absence of opposition and the fact that two new parties were recently brought into the case by cross-complaint and they require additional time to conduct discovery and prepare for trial.
